

TrustNest HBL

Smart Club Management for Herbalife Nutrition Clubs

What is TrustNest HBL?

TrustNest HBL is a purpose-built digital platform that gives every Herbalife Nutrition Club a professional, paperless operations system — members, orders, inventory, attendance, and reporting — accessible from any smartphone, tablet, or computer.

Platform Features

Member Management Digital profiles, renewal tracking, membership cards with unique barcodes	Barcode Check-In Admin scans physical barcode on member card — instant attendance log
Order & Billing Product catalog, order management, PDF invoices with GST/FSSAI details	Shake Tracker Daily shake log per member, helping clubs track nutrition program adherence
Follow-Up System Automated renewal reminders, WhatsApp messaging with one click	Inventory Control Product stock tracking with low-stock alerts
Reports & Analytics Daily/weekly/monthly revenue, check-in trends, member growth	Multi-Branch Ready One deployment runs unlimited club branches, each fully isolated
Member Self-Service Members view their profile, order history, download invoices, QR card	Mobile-First Design Responsive UI works flawlessly on any smartphone browser

Member Journey

Step 1	Admin creates member profile with name, phone, plan & expiry date
Step 2	Member receives a unique barcode card (e.g. VPT-0001)
Step 3	Member logs in via phone OTP on the member portal
Step 4	Member views dashboard: profile, orders, history, QR/barcode

Step 5	Admin scans barcode at club visit — check-in recorded instantly
Step 6	Member places product orders; admin fulfills, invoice auto-generated
Step 7	System alerts admin 7 days before membership expiry for renewal
